RECEIVED

Gentlemen,

We are in receipt of the Customer Notification of Cerbat Water Company's application for a rate increase. Their last application for a rate increase was met with strong opposition from us. We do not object to a rate increase for increased cost of operations. However, Cerbat Waiver Company should not be allowed to increase their rates until they have an emergency water supply available.

We have had numerous water outages because Cerbat doesn't have a standby pump for the well that serves our community. This pump should have been put into place on startup but as far as sue know this has never been done.

Sincerely,
Richard Hulsey
Patricia Hulsey
